Reports to	Director, Technology and Analytics		
Department	Executive Education		
Job Family	Business Services	Level	3

About the School

At London Business School, we strive to have a profound impact on the way the world does business and the way business impacts the world. Our departments work hard to ensure that we are continually delivering a world-class service, academic excellence and that our course offering maintains our place as a leading business school.

With thought-leading faculty and dynamic learning solutions, we empower both businesses and individuals by offering a transformational learning experience that will broaden their professional knowledge and global mindset. As well as offering postgraduate courses for the business leaders of the future, we run open and customised executive courses for professionals and corporate clients that help leaders identify the future focus and strategic direction of their businesses.

With London in our hearts, we draw from its status as a financial, entrepreneurial and cultural hub to attract a diverse range of students and faculty, creating an abundance of opportunities to network with industry experts and alumni worldwide.

About the Department

Executive Education designs and delivers world-class management and leadership development programmes including a portfolio of over 30 open enrolment programmes for individuals, and customised programmes for global client organisations. With an annual turnover of £40 million, Executive Education accounts for approximately 40% of the School's total revenue and is an essential part of the School's future strategic and growth plans.

The Learning Solutions Team is ultimately responsible for the design and delivery of the most impactful learning journey. It consists of 5 sub-teams:

- **Learning Design & Innovation:** The team's aim is to design tailored, impactful learning journeys for participants around the world. It provides the learning architecture and supports CDs on bids and pitches and Academic Directors on new open programmes. The team is responsible for launching new products and experiences and owns Exec Ed's approach to learning. The Participant
