About the School

At London Business School we have a profound impact on the way the world does business. Our departments work hard to ensure that we are continually delivering a world-class service, academic excellence and that our course offering maintains our place as a leading business school.

With thought-leading faculty and dynamic learning solutions, we empower both businesses and individuals by offering a transformational learning experience that will broaden their professional knowledge and global mindset. As well as offering postgraduate courses for the business leaders of the future, we run open and customised executive courses for professionals and corporate clients that help leaders identify the future focus and strategic direction of their businesses.

With London in our hearts, we draw from its status as a financial, entrepreneurial and cultural hub to attract a diverse range of students and faculty, creating an abundance of opportunities to network with industry experts and alumni worldwide.

About the Department

Career Centre is part of a wider team incorporating Degree Programmes and is known as Degree Education and Career Centre reporting to the Associate Dean. Career Centre comprises:

- an Employer Engagement Team;
- a Career Management Team (for MiM/GMiM, MFA, MiF, MBA, Executive MBA students and Sloan Fellows);
- an Alumni Career Centre Team for alumni;
- a Professional Development team.

Together with faculty teaching & learning, Career Centre lies at the heart of student & alumni career outcomes which are a key indicator and consequential driver of the success of any business school. Student & alumni career success drives heightened student interest, quality of student admission and participation, ability to attract and retain the very best staff and faculty, further engagement with and access to entrepreneurial, fast-growing and blue-chip companies and, thus, further student & alumni career success.

The purpose of Career Centre is to enhance the career prospects and outcomes of our students and alumni. We aim to inspire exceptional career management and engage with high quality employers. We develop the career skills of students and alumni, preparing them to take ownership of their career development whilst supporting them to do so with confidence. We also engage with organisations to understand their talent needs, as well as facilitate recruitment and networking opportunities between employers and our students & alumni. In summary our role is to:

- Create and deliver a career development curriculum
- Coach and consult with students and alumni
- Provide access to a range of networking and career opportunities
- Provide career insights

The Career Management Team, of which the successful candidate will be a member, provides career guidance and support to more than 1,800 students made up approximately of:

- 280+ (pre-experience) MiM & GMiM (+4th term students)
- 220+ (pre-experience) MFA
- 80+ (pre-experience) MAM
- 1000+ (post-experience) MBA (2 year groups)
- 130+ (post-experience) MiF (+ 4th term students)
- 140+ PT (working) MiF students (across 2 year groups)

The Career Management team comprises 3 Career Leads for Graduate Masters students, MBA & MiF students and Leadership students; 9 career coaches and 1 Associate Director. The roles are interdependent and supportive of one another. As such, there are times when the focus of the team will switch between programmes.
