About the School

At London Business School we have a profound impact on the way the world does business. Our departments work hard to ensure that we are continually delivering a world-class service, academic excellence and that our course offering maintains our place as a leading business school.

With thought-leading faculty and dynamic learning solutions, we empower both businesses and individuals by offering a transformational learning experience that will broaden their professional knowledge and global mindset. As well as offering postgraduate courses for the business leaders of the future, we run open and customised executive courses for professionals and corporate clients that help leaders identify the future focus and strategic direction of their businesses.

With London in our hearts, we draw from its status as a financial, entrepreneurial and cultural hub to attract a diverse range of students and faculty, creating an abundance of opportunities to network with industry experts and alumni worldwide.

About the Department

Career Centre is part of a wider team incorporating Degree Programmes and is known as Degree Education and Career Centre reporting to the Associate Dean. Career Centre comprises:

- an Employer Engagement Team;
- a Career Management Team (supporting Mid-Career, Early Career, EMBA and Sloan students);
- an Alumni Career Centre Team;
- a Professional Development team.

Together with faculty teaching & learning, Career Centre lies at the heart of student & alumni career outcomes which are a key indicator and consequential driver of the success of any business school. Student & alumni career success drives heightened student interest, quality of student admission and participation, ability to attract and retain the very best staff and faculty, further engagement with and access to entrepreneurial, fast-growing and blue-chip companies and, thus, further student & alumni career success. Career Centre inspires and supports students & alumni to maximize their career potential through the provision of a market-relevant career curriculum, designed and delivered by our team. Career Centre also engages with organisations to understand their talent needs, as well as facilitate recruitment and networking opportunities between employers and our students & alumni.
